

Cameron and Ruthi Fruit serving with Wycliffe Bible Translators

February 2010

Dear Friends and Family,

Thought you might like to see a map of where some of our activities are taking place in the near future, with some help from Google maps. Hope you can make out the tiny specks where the islands are!

From the Philippines
February 21-28:

Our consultant, Annie del Corro, is planning to come to Saipan from the Philippines to check the book of Acts and ensure it is ready for publication.

In Saipan:

Some new Carolinians are getting interested in checking the New Testament translation, so Cameron will be giving them some guidance in getting started with that in the near future.

In Rota
April 28-30:

Cameron travels to Rota for a Chamorro dictionary workshop. He will present a session on technology for the dictionary and also hopes to assist individuals with the software they are using to enter dictionary words into the computer.

Northern Mariana Islands

Sinapalu

Guam

In Yap
March 2-12:

Nico Daams, the director of the Pacific Group, and Cameron plan to go to Yap to assist in revising the Woleaian translations of John and Mark, and also to discuss opportunities that may become available for individuals there to get some training in Bible translation.

Now for the Sports

The Saipan Little League baseball season started this week. Baseball is huge on this island. At the opening ceremony, well over 400 kids flooded the Francisco M. Palacios “Tan Ko” Baseball Field. The Honorable Eloy Inos, the Lieutenant Governor of the CNMI, threw out the first pitch, a hit-by-pitch against the acting mayor of Saipan, the Honorable Victor C. Pangelinan. Whether it was intentional or not is a matter of conjecture.

Mason and Joel have joined new teams. Joel pitched for IT&E, giving up only one earned run in three innings. His team came up short in the end, suffering a 3-1 loss. Mason’s Fielders also played a close one, losing 9-8 with the tying run on base. Mason got a couple of walks, and scored the first run of the game.

Registration and practices for the soccer season also started today for all the boys.

Sports teach our boys to aim for the prize, and they can remind us all of these words of Paul:

Forgetting what lies behind and straining forward to what lies ahead, I press on toward the goal for the prize of the upward call of God in Christ Jesus. (Philippians 3:13–14)

Yours in Christ,

Cameron, Ruthi, Colin, Mason, Joel, and Anthony
